National League

In 2013 Edinburgh Sports Club were National Champions for the first time since 1987. Unlike many other clubs we do not bring in playing professionals. The winning team was Simon Boughton, Ross McHoul, Jacques Laas, and Senga Macfie. This was a fantastic result and allowed us to play in the European Club Championship at Riccione, Italy in September. Representing ESC were Simon, Ross, Jacques, Colin Stirrat, Andy Wilkinson and Nick Forrest. The team was up against European clubs who had many of the world's top 20 men's players. We came 12th out of 16 teams exceeding our 13th place ranking. The team were ably supported by many club members.

I should also mention Peter Wilson who lost in the finals of the European over 60's in Prague and Georgia Adderley who won the girls under 13, Danish Open. What an international club we are! Well done to everyone.
